

# Saint Elizabeth Regional Medical Center

## REMOTE ACCESS –

PhoneFactor is as simple as:

- Log on to any computer and go to <http://remote.stez.org>
- Click the PhoneFactor icon (see below)
- You will be directed to the PhoneFactor authentication system.
- Once you have logged into the system, you will receive a phone call acknowledging your authentication.
- After you receive your call, you will gain access to:
  - ChartMaxx
  - Meditech
  - PACS
  - OBTV
  - Saint Elizabeth Intranet

### Who do I call to get my PhoneFactor access set-up?

Contact the IT HELP Desk at 219-7411 to obtain access to the Saint Elizabeth Regional Medical Center Information Technology System.
